

Missy MacKintosh

MisMack Clean Cosmetics

Missy started working with makeup at a very young age. She sold Mary Kay products when she was 18 before going to Vancouver and graduating with honours from the makeup program at Blanche Macdonald. She then went on to work in Calgary at MakeUp Forever before returning home to Canoe, near Salmon Arm, to start her own business.

MisMack Clean Cosmetics is an innovative, professional-performing, award-winning clean makeup line, created by internationally acclaimed makeup artist, Missy MacKintosh.
